Dear Paul:

RE: George "Josh" Kastura

Regretfully no legal action is going to be taken on the Kastura case. The prosecutor in the county where the incident occurred feels there may be insufficient evidence. As far as we are concerned I would prefer to keep the individual off our membership roles since the lead up to the incident showed poor judgement on the part of Kastura.

Sincerely,

Your Complaint No: 042-2017-90

This will acknowledge our receipt on October 25, 1990, of your Report of 10/22
(supp. report) regarding the above matter and requesting my authorization for issuance
an arrest warrant(s) for George Joseph Kastura charging
criminal offense(s) of Criminal Sexual Conduct, 4th Degree

Please be advised that your request for an arrest warrant is denied for the following reasons:

1. There is insufficient admissible/credible evidence upon which to find probable cause to believe that a crime has been committed and/or that the above-named Suspect(s) committed the same; and/or
2. There is no evidence presented in your Report with regard to the following necessary element(s) of the above offense(s):

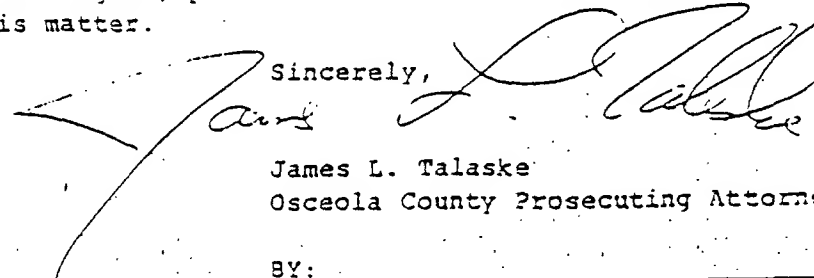

3. The Suspect appeared to have acted in self defense/defense of another; and/or
4. The Complainant appears to have been the initial aggressor in this incident and/or
5. It is not a crime in this State to: _____; and/or
6. This matter should be referred to: _____
_____ for the taking of action there; and/or
7. This appears to be a civil matter, the remedy for which the Complainant may pursue in civil court; and/or
8. The applicable statute of limitation, which for this offense is _____, has expired; and/or
9. Your failure to provide this Office with: _____; and
10. XXX Other: I find no substantial evidence of force or coercion. Since the child is over age thirteen (13) we must establish those elements as defined by statute.

If you have any further information which may change my decision in this regard, provide that to this Office, in writing, in the form of a supplemental report as soon as possible.

If you have any questions in this regard, please do not hesitate to contact us. Thank you for your cooperation in this matter.

Dear Paul:

Regarding the George "Josh" Kastura case, there has been no conclusion yet. I talked with the Police Detective and all information and reports were sent to the County Prosecutor.

Also, talked with the social worker on the case and both the youth and parents want to press charges. The slowness of the system is rather frustrating. I will let you know if I hear any more.

REPORT OF INCIDENT INVOLVING [REDACTED], ALLEGED VICTIM AND GEORGE "JOSH"
KASTURA, ALLEGED PERPETRATOR

I was awakened at 6:00 a.m. on June 23, 1990, by Dee Slate, the Camp Director. He told me he had a serious matter to discuss with me, a possible sexual molestation case. He related that he was awakened by one of his camp staff members, [REDACTED], a few minutes earlier and told that George "Josh" Kastura had fondled him in the genital area while he was asleep in Kastura's trailer.

I talked with [REDACTED] and he indicated that at about 5:00 a.m. while he was asleep that Kastura had fondled him on the penis. [REDACTED] indicated that he shared a double bed with Kastura. The background of this incident was that they had been talking until about 1:00 a.m. in the trailer and that becoming sleepy Kastura had invited them to stay rather than go back to their tent in the staff housing area. After Kastura had stopped fondling, [REDACTED] got up and reported the incident to the Camp Director, Dee Slate.

[REDACTED] was also in the trailer and told me that [REDACTED] was given a choice of where to sleep, on a single cot alone or with Kastura. [REDACTED] said he would stay on the double bed with Kastura. They went to bed at about 1:00 a.m. The incident was alleged to have happened at 5:00 a.m. [REDACTED] had removed his wet outer clothing, keeping his underwear on, prior to retiring. Both he and Kastura were under the same blankets. [REDACTED] said he noted nothing unusual during the night.

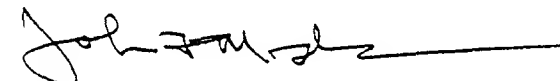

I had Dee Slate awaken Kastura, in the meantime sending [REDACTED] down to the kitchen area of the camp. Kastura denied touching the boy. He told me he met him last year at camp and had invited him back to be a staff member this year. He said he has had boys stay in the trailer at other times during opening and closing of camp when conditions were crowded.

I told Kastura that he would have to leave camp as soon as he could pack up.

The boy called his home, actually his grandmother's because his home has no phone, but could not reach anyone. He then called his Scoutmaster who in turn contacted the boy's father. The father, [REDACTED], called and talked with the boy and myself. He said he would be up as soon as possible. [REDACTED] arrived at about 11:00 a.m. and after a short discussion with myself and Dee Slate, took his son home.

On June 25, I reported the incident to Protective Services, State of Michigan, to a Betty Kates in the Adrian Office. She indicated that she would assign a caseworker and would notify law enforcement.

Respectfully submitted,

John F. McDonough

Mr. George Kastura

Newport, MI 48166

Dear Mr. Kastura:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand the BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

John F. McDonough
